Dear Mr + Mrs Manley

a few lines to let you hear
from me again. Hope these few lines will
find you both well and happy, as it is
leaving me.

My main reason for writing is to
ask a question. I have just heard that I was
no longer on your ball club, and that I
was traded to Phila., so I am asking if
it is true, because if it is true I would
like to change my plans, so please, if it is
n't asking too much, answer this letter right
back and let me know. I have it as yet re-
ceived an answer from my last letter to you.

Well I guess there isn't any thing
else I can say, so I am thanking you in
advance for the information.

Yours Sincerely

Leonard Pearson
